Commons Act 2006: Section 15

**Village Green Application to register
land at Coombe Lane
in the
Parish of Sunninghill and Ascot**

Appendix 4

Statement of Reasons for the Application

The application is made under Section 15(2) of the Commons Act 2006 on the basis that the land which is subject to the application meets the following criteria:-

- use has continued by
- a significant number of
- the inhabitants of the locality, who have
- indulged...in lawful sports and pastimes
- as of right
- on the land
- for a period of at least twenty years
- The use is continuing as at the date of the application;

Enclosed are 66 user evidence forms which demonstrate a significant level of use by residents of the locality, which is identified as the Parish of Sunninghill and Ascot. The overwhelming majority of the users lived in the Parish when making use of the land. The Parish qualifies as a locality because it is a defined administrative area.

The inhabitants have indulged in the following lawful sports and pastimes:-

Walking, exercising dogs, wildlife watching, photography, picnicking, kite flying, exercise, keep fit, relaxing, sun bathing, cycling, children playing and adults accompanying children playing.

The use by the witnesses is and has been without force, secrecy or permission since at least the 1960s. It is clear from the user evidence that the land has been neglected and unmanaged by the owners. The inhabitants of the Parish have been free to use the land as of right.

There are no reports of signs or notices preventing access or advising the witnesses that the land is not available for public use and any gates have remained unlocked and opened or in disrepair. The fences have not been maintained and unhindered access has been easily obtained. No one has reported being challenged whilst entering or using the land for recreational purposes.

It is requested therefore that the Council adds the land to the Register of Town and Village Greens, as a Village Green under Section 15 of the Commons Act 2006.
